

**Leigh Nattkemper, PhD**

Research Associate Professor and Director of Clinical Trials

Dr. Philip Frost Department of Dermatology and Cutaneous Surgery

University of Miami

Miami, Florida, USA

---

Dr. Leigh Nattkemper is a Research Associate Professor and Director of Clinical Trials at the University of Miami Dr. Phillip Frost Department of Dermatology and Cutaneous Surgery. She received her bachelor's degree in microbiology and master's degree in molecular medicine from the University of South Florida, then her PhD in Neuroscience from Temple University. Her current research focus is to better understand the pathobiology of chronic pruritus, and to develop and test targeted treatments that will be effective for a wide array of diseases that suffer from chronic itch.
